

Introduction

What is the purpose of this presentation?

What are the main objectives?

What are the key findings?

What are the conclusions?

Methodology

How was the data collected?

What methods were used for analysis?

What are the limitations of the study?

Results

What are the main findings?

What are the key statistics?

What are the trends observed?

Discussion

How do the findings relate to existing research?

What are the implications of the study?

What are the future research directions?

Conclusion

What are the main takeaways?

What are the final thoughts?

Appendix

What additional data is provided?

What are the supplementary materials?

References

What sources were consulted?

What are the cited works?
